

PATHWAY BOCCIA

EXPLORE

Come and try Boccia. We have weekly trainings for people to come and experience Boccia. New athletes are always welcome to come along at any time throughout the season. We have equipment available so you can give it a go.

SOCIAL PARTICIPATION

Participate at a social level at our weekly training sessions. These sessions are for those who want to play at a local level and enjoy the social aspect of Boccia. There is an opportunity to be involved in a social tournament organized by the CP Society held in January each year.

COMPETITIVE PARTICIPATION

Train at our weekly sessions with a Boccia Coach who will structure these sessions around warm ups, drills and tactics. We encourage those players who are classifiable under the IPC system to gain Provisional Classification and compete in regular competitions within New Zealand. Compete against other players from your own region and from around NZ.

LEARN

Learn to play Boccia at our weekly training sessions held on Tuesday nights 5.30-7pm during school term time at Fairfield College, Bankwood Road, Hamilton.

PERFORM

Regularly compete in Boccia New Zealand's sanctioned tournaments and display commitment to training and improvement.

EXCEL

Earn the opportunity to represent New Zealand as an international Boccia player. Compete as part of the NZ team in events such as Paralympic Games and World Championships.
